** (40% to the center and 60% to the teacher) In the interest of encouraging generous support for our teachers and meeting InsightPV's expenses, there will be a suggested donation, with 60% going to the teacher and 40% to the center. As always, this donation is completely voluntary and is a personal decision. Please know that accessibility is very important to us; everyone is welcome at all of our events regardless of ability to donate.
